

Prof. Ana Cláudia dos Santos Luciano

Tutorial para Download QGIS (Para Windows)

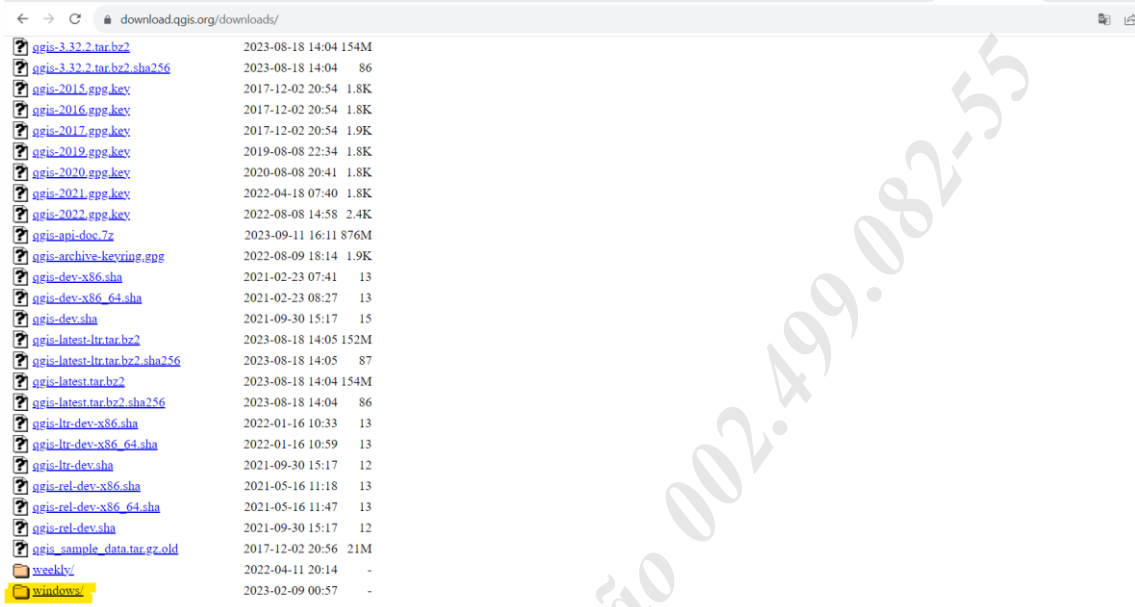

- 1) Acesse o site: https://www.qgis.org/pt_BR/site/forusers/download.html
- 2) No site do QGIS, selecione a opção “Todos os Lançamentos”:

- 3) Após selecionado Todos os Lançamentos, clique em “aqui”:

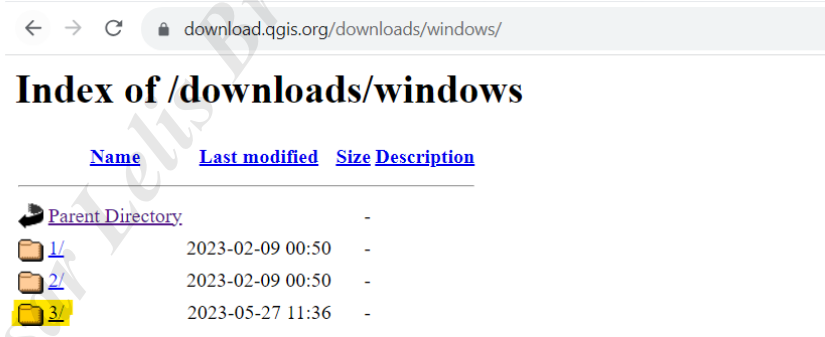

- 4) Mostrará esse site com vários arquivos. Arraste a barra de rolagem até o final da página e selecione a pasta "Windows":
